PROFESSIONAL SUMMARY

Enthusiastic computer science and Engineering student with skills in programming, web development, and data analysis. Eager to apply technical knowledge in a professional setting and contribute to innovative projects.

WORK EXPERIENCE

Intern

Oct-2022 to Dec-2022

Take it smart pvt.ltd

DBMS — Super market and management system . DBMS-Super market and management system using data base and management system by using this project we can check the products stock and we can check the transaction and customer profile

Intern

Nov-2023 to Jan-2023

Take it smart pvt.ltd

core java swing-Built user-friendly desktop apps using Core Java Swing; collaborated with team to deliver solutions and improve outcomes. Applied Java principles to solve real-world problems

Intern

Feb-2025 to May-2025

KodNest Technologies pvt.ltd

Industry-Ready Full Stack Developer Program – Java | Python

Built and deployed full-stack apps using Java (Spring Boot) and Python (Django).

Gained hands-on experience with frontend (HTML, CSS, JS) and RESTful APIs.

Strengthened debugging, Git, and deployment skills

Projects

Harvestify-Predictive Farming Assistant

Harvestify is a smart farming technology designed to help farmers optimize their crop prediction and increase their yields. The technology uses the combination of IOT sensors ,data analytics and machine learning models(Decision Tree, Naive Bayes, SVM) to predict the best crops and fertilizers.

Academic History

Bachelor Of Engineering In Computer Science, 2025

Shree Devi Institute Of Technology, Mangalore, India

CGPA: 7.3

Technical Skills

- Java (Basic Syntax & Structure, Data Types, Control Statements, Class & Objects OOPs Concepts(Encapsulation, Inheritance, Polymorphism, Abstraction) JVM, String handling, static keywords, Arrays).
- Python (Data Types, String Methods & Operations, Operators, Loops & Conditional Statements, Comprehensions, Functions, OOPs Concepts).
- Web Development(HTML, Css, Javascript, react)
- SQL

Skills

- Management skills
- Creativity
- Problem solving
- Critical thinking
- Leadership
- Time management

Language

- English
- Hindi
- Kannada

Certificates

Certificate of internship on Web Development at kodNest
